Inspired by the Preached word of Delaney Smith

Pay close attention and receive your instructions.
The enemy has set out to cause mass destruction!

Got you thinking all of your troubles are because of something you did.
Get the devil out of your head, and of all of his lies you need to get rid!

Get in your Word and get to know the truth.
About the real deal and why God created you.

Stop saying what you can't do and giving up and counting yourself out!
God's never lied, and before you were born, your purpose was completely worked out!

God operates in divine, supernatural power that we can't even comprehend.
When you came out of the wound into the world, He knew you a winner then!

You may have been through a lot of tough things because of poor decisions.
But God allowed those things to strengthen and fortify you to carry out your mission.

If you went through life never dealing with anything hard,
You wouldn't be able to run after Him persistently with no holds barred!

You've got to be persistent as you run this race.
You'll delay your destiny tremendously if you procrastinate!

You've got to keep it moving once you start to pursue.
Set your face like a flint and press toward the mark is what you need to do!

Don't let whatever or whoever is trying to block you succeed.
Tell that mountain to move, walk through it and proceed!

Get your focus and get your plan together.
How do you think your going to make it if you never plan ever?

You already have the victory 'cause God made sure of that when He sent his Son.
You don't have to wait to praise; celebrate now your 'cause expected end is already done!

You might have to work hard, but just keep on digging'.
God is a rewarder of those who diligently seek Him.

Everything may not go as fast as you want or happen when you think they should.
But if you diligently pursue, and keep the faith, you're gonna be all good!

Never forget that Jesus said, "It is finished," after all of what he had to endure.
You haven't dealt with nothin' like what Jesus took, yet your destiny is sure!

Don't listen and buy into what the devil says is impossible.
Keep your eyes on God, trust Him and know that Your Mission is Possible!
