

Can't Touch This!

Based on the Preached Word of Apostle H. Daniel Wilson

We live in a mean, hostile and crazy world with all kinds of crazy people running around. We've got break-ins and burglaries, rapists, robbers, psychopaths and people going postal all over town.

What many of you may think about "Can't Touch This" is that MC Hammer coined the phrase. There is nothing new under the sun, and when God spoke to the devil about Job, this is the first time this phrase was made.

The devil's agenda is to kill, steal and destroy, but he can only do so much. When he went to inquire about Job, God let the devil tempt him, but told the devil Job's body, you can't touch.

Psalms 91 tells us that we are under the shadow of the Almighty when we dwell in the secret place. We will have God's protection when we get in His presence while we worship and seek His face.

The shadow of the Almighty where we abide is God's "spiritual security system." You can't depend on ADT that only detects, and when a robber breaks in they miss them!

God will protect us from illness, disease and He will protect us from all types of terror. So dwell in God's presence, not just when something is going wrong; most definitely don't make this error.

A thousand enemies shall fall at your side, and 10,000 at your right hand. This is because on the right side of God sits Jesus, the Father's "right-hand man.

This thousand times anointing we have is to carry out God's assignment. It's not for you to spiritually get full and fat, then go into solitary confinement!

Before you were conceived, God had a plan to provide full protection for you. You've got to stay in His presence and make the Lord your habitation whatever you do!

When the devil comes around to tempt you, remember that his plan is already gone amiss. Just like with Job, he can only go so far, 'cause God already told him, "Can't Touch This!"
