

# Victories by the Thousands!

© 2017 by Deidre L. Dixon

*Inspired by the Preached Word of Apostle H. Daniel Wilson*

One can chase a thousand, and two can put ten thousand enemies to flight.  
Two is greater than one by far, and together with God it diminishes our plight.

Our strength in numbers is only strong by the presence of the Lord.  
We can do thousands of exploits through God when we are all on one accord!

We serve a mighty and powerful God of multiplicity!  
Thousands of times more powerful is His army than the pursuit of our enemy!

God has given us the power and authority to trample on satan's plan!  
When we join forces our power is a thousand times greater 'cause it is covered  
by God's hand!

Don't ever doubt God when, like a flood, the enemy comes in!  
Have faith and know that He will raise a standard against the enemy so that  
you can win!

Only your faith will please God and cause thousands of angels to go to war on  
your behalf!

If you didn't have God, it would be an unsuccessful battle with a force of one;  
now you do the math!

One can chase a thousand, and two can put ten thousand to flight.  
Let the "Thousand Times" anointing take over and see your victory in sight!
